Towergate Risk Management Consultancy

Towergate Risk Management Consultancy forms a major part of our increasingly wide suite of Client Services.

Towergate Advisory will lead the way in our industry by adding value for our Clients. Pre-loss risk management and post-loss protection are more crucial than ever. When combined with our expertise this Consultancy will enable our Advisory business to become the UK's number one risk advisor and insurance broker, building the strongest relationships with our Clients.

Client Services are the way forward because...

- Towergate are trusted advisors, adding value for Clients
- Ogden Rates mean a harder market where risk management and health and safety are critical
- Insurers will prioritise Presentations that show clients have embraced risk management
- Offering proper advice will help to avoid E & Os which are costly to our reputation and profitability
